Dear Mr. Fallon:

Re: Response to Comments Letter - June 3, 1994  
Fort Monmouth Army Base Site  
Fort Monmouth, Monmouth County

The NJDEPE is in receipt of your June 3, 1994 letter which was in response to NJDEPE's comment letter of April 20, 1994. The responses were consistent with agreements made during our meeting of May 3, 1994, therefore, the letter is acceptable as submitted.

As we had discussed, I would like to conduct a full site-wide visit to physically familiarize myself with all of the areas at the site under investigation/remediation. Such a meeting should be arranged to correspond with some field activities relevant to my oversight (such as UST remedial work and/or media field sampling).

If you should have any questions or require additional information, please do not hesitate to contact me at (609) 633-1455.

Sincerely,

Ian R. Curtis, Case Manager  
Bureau of Federal Case Management
