Dear Mr. Dolphin:

As a follow up to your recent conversation with Mr. Joseph Fallon, the Directorate of Public Works requests that our individual freshwater wetlands permit application submittal be evaluated strictly in terms of the NJDEP issuing a General Permit # 4. It should be noted that our request is being submitted in response to your verbal request as addressed to Mr. Fallon.

Should you have any questions or require any additional information at this time, please contact Mr. Joseph Fallon. He can be reached by telephone at (732) 532-6223.

Sincerely,

James Ott, Director
