Fort Monmouth, New Jersey
PI G000000032

Dear Mr. Pearson:

The New Jersey Department of Environmental Protection (Department) has completed review of the referenced submittal, dated January 24, 2017. As indicated in the submittal, the concurrence by this office for re-categorization of several “carve outs” to Category 1 is requested.

Based upon a review of the information in the file and contained within the submittal, the Department concurs the three areas within Parcel 28 as noted on Figure 1 of the submittal - ECP 28 Septic Tank 1, Septic Tank 2, and Septic Tank 3, as well as that area of Parcel 38 and Parcel 69 as indicated on Figure 2 of the submittal, may be categorized as a Category 1.

Please contact this office if you have any questions.

Sincerely,

Linda S. Range
