Re: U.S. Army Fort Monmouth,  
Site Investigation Report -  
Suspected Hazardous Waste Sites

Dear Mr. Curtis:

At the present time, the Directorate of Public Works (DPW) is making final preparations to present and submit the findings of the site investigation report for suspected hazardous waste sites at Fort Monmouth. As per our current schedule, a meeting has been set up for December 13, 1995. The meeting shall take place at Fort Monmouth (Bldg. 167) and will include personnel from the DPW, U.S. Army Corp of Engineers, Roy F. Weston and the NJDEP. At said meeting, two copies of the report will be provided to the NJDEP. In addition, a copy of the data validation report shall also be provided.

In closing, the DPW staff looks forward to meeting with you and other NJDEP staff members to discuss the site investigation findings. If I can be of any further assistance, please contact the undersigned. I can be reached by telephone at the following number: (908) 532-6223.
