Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) has completed review of proposed Commissary Building Footprint Category Determination proposal. The Department concurs with the recommendation that re-categorization of part of Parcel 57 (footprint of Building 1007 – Commissary Building) and parts of Parcel 65 is necessary. The Department offers no additional comments and concurs with the October 11, 2019 proposal.

Please feel free to contact me if you have any questions at (609) 433-8735.

Sincerely,

A.J. Joshi
