Dear Mr. Colvin,

The New Jersey Department of Environmental Protection (Department) reviewed *Request for No Further Action Determination at Parcel 51, Underground Storage Tanks (USTs) 545 and 653, Site Investigation Report Addendum*, prepared by the Department of the Army's Office of Assistant Chief of Staff for Installation Management, received on May 31, 2017. The Department concurs with the Department of the Army that no additional action is necessary for UST 545 and UST 653; it is agreed all remedial actions relative to the USTs are complete. This determination is based upon information in the Department's case file, the report submitted by the Department of the Army, and the certified representations and information provided to the Department.

Please contact Linda Range at (609) 984-6606 if you have any questions.

Sincerely,
