Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) reviewed the information submitted by the Department of the Army. The Department concurs with the Department of the Army that no additional action is necessary for Parcel 9 USTs located at the Charles Wood Area. It is agreed all remedial actions are complete for each of 21 USTs (UST 2022 through UST 2042). The determination that the remedial action is complete is based upon information in the Department's case file, the Site Investigation Report submitted by the Department of the Army, and the certified representations and information provided to the Department.

If you have any questions regarding this matter, please contact A.J. Joshi at (973) 656-4427.

Sincerely,

Gwen B. Zervas, P.E.
