Dear Mr. Ott:

Re: Sub-site CW-3 NFA
Fort Monmouth Army Base
Tinton Falls, Monmouth County

I am in receipt of your letter of January 5, 1998 requesting that the NJDEP issue a no further action letter for the Charles Wood sub-site #3 (CW-3).

Based on the information provided in the *1995 Weston Site Investigation Report* for the Fort Monmouth Army Base, and substantiation of the report through the test pit investigation performed in my presence on September 25, 1997, it has been confirmed that this sub-site was not a landfill.

Therefore, by this letter, the NJDEP confirms that the CW-3 sub-site is not a landfill and since no information exists that would lead the NJDEP to believe that any environmentally unsound practices occurred at the CW-3 sub-site, we hereby grant a no further action letter for the CW-3 sub-site.

If you should have any questions or require any additional information, please do not hesitate to contact me at (609) 633-7232.

Sincerely,

Ian R. Curtis, Case Manager
