Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) reviewed the information submitted on November 1, 2017 by the Department of the Army. The Department concurs with the Department of the Army that no additional action is necessary for Parcel 70 – Building 551, former Photoprocessing. It is therefore agreed all remedial actions are complete. The determination that the remedial action is complete is based upon information in the Department's case file, the report submitted by the Department of the Army, and the certified representations and information provided to the Department.

If you have any questions regarding this matter, please contact A. J. Joshi at (973) 656-4427.

Sincerely,

Gwen B. Zervas, P.E.
