Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) reviewed the information submitted on June 15, 2017 by the Department of the Army. The Department concurs with the Department of the Army that no additional action is necessary for Building 283 Squire Hall and immediately adjacent vicinity; it is agreed all remedial actions are complete. The determination that the remedial action is complete is based upon information in the Department's case file, the report submitted by the Department of the Army, and the certified representations and information provided to the Department. Remedial activities within Parcel 49 beyond Building 283 continue under Department oversight.

If you have any questions regarding this matter, please contact Linda Range at (609) 984-6606.

Sincerely,

Gwen B. Zervas, P.E.
