Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) reviewed the Remedial Investigation Report (SIR) submitted on March 24, 2020 by the Department of the Army. The Department concurs with the Department of the Army that no additional action is necessary at FTMM-59. The determination that the remedial investigation is complete is based upon information in the Department's case file, the RIR submitted by the Department of the Army documenting previous work performed at FTMM-59, and the certified representations and information provided to the Department.

If you have any questions regarding this matter, please contact A.J. Joshi at (609) 433-8735.

Sincerely,

Gwen B. Zervas, P.E.
