Re: **Remedial Action Type:** *Unrestricted Use*
Scope of Remediation: *Parcel 57 Commissary Building*
Ft. Monmouth, Oceanport, Monmouth County
SRP PI# G000000032

Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) reviewed the information submitted by the Department of the Army regarding the above referenced site. The Department concurs with the Department of the Army that no additional action is necessary for Parcel 57, the Commissary Building and that all remedial actions are complete. The determination that the remedial action is complete is based upon information in the Department's case file, the Remedial Action Report submitted by the Department of the Army, and the certified representations and information provided to the Department.

If you have any questions regarding this matter, please contact A.J. Joshi at (609) 433-8735.

Sincerely,

Gwen B. Zervas, P.E.
Section Chief

Good morning AJ:

Just following up on our conversation from yesterday afternoon. Your attached "unrestricted use" letter pertains only to the footprint of the commissary building to include some frontage. Specifically, your letter addresses the petroleum discharge reported by Army staff in 1997 and assigned the following case number: 97-1-11-0938-02. Thank you.
