Subject: [Non-DoD Source] Record of Decision for Seven Sites
Date: Friday, October 30, 2020 12:20:52 PM

Mr. Colvin,

The New Jersey Department of Environmental Protection (Department) has completed the review of the Record of Decision (ROD) for Sites FTMM-28, FTMM-54, FTMM-55, FTMM-56, FTMM-61, FTMM-64, and Parcel 57. Based upon the review the Department concurs that all necessary site investigations have been completed and that no further investigations or actions are necessary at these sites. The Department offers no other comments.
