Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) reviewed the information submitted by the Department of the Army regarding the above referenced site. The Department concurs with the Department of the Army that no additional action is necessary for the Gosselin Area of Parcel 71 (an approximate 60-ft by 60ft area). This decision is based on the completion of soil removal activities and soil investigation(s) performed at the above site. This determination is based upon information in the Department's case file, Reports submitted by the Department of the Army, and the certified representations and information provided to the Department.

If you have any questions regarding this matter, please contact A.J. Joshi at (609) 433-8735.

Sincerely,

Gwen B. Zervas, P.E.
