Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) has performed a review of the referenced submittal, received on November 30, 2016. Each of the issues raised in the DEP's August 22, 2016 correspondence has been adequately addressed; the Remedial Investigation Report and the Landfill Boundary Refinement component of the January 2016 submittal for FTMM-5 are approved based upon same.

Please contact this office with any questions.

Sincerely,

Linda S. Range
