Dear Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) has completed review of the referenced submittal, received June 8, 2016, prepared by the Department of the Army, to perform additional evaluation of UST 283A, an UST that was removed in 1990 in the vicinity of Building 283 (Squier Hall). The proposal, which includes soil sampling, is acceptable.

Please contact this office with any questions.

Sincerely,

Linda S. Range
