Dear Applicant:

The Department of Environmental Protection (the Department) received an "Underground Storage Tank Closure Plan Approval Application" for your facility. This application detailed the procedures to be implemented as required by the Underground Storage Tank Systems Technical Requirements and Procedures at N.J.A.C. 7:14B-1 et seq. Based upon our review of the information submitted, a Closure Approval is hereby granted.

A Standard Reporting Form (SRF) must be submitted to the Department within seven (7) days of removal or abandonment of the tank(s). The date of removal or abandonment must be included with the SRF. The SRF will be used to delist the tank(s) from the Bureau of Underground Storage Tanks (BUST) registration files. A copy of the SRF is attached.

Within ninety (90) days of completion of the tank(s) closure, a Site Assessment Summary pursuant to N.J.A.C. 7:14B-9.5 must be submitted to BUST (copy attached). If contamination is discovered during closure, you are required to initiate corrective action as per N.J.A.C. 7:14B-8 and outlined in the Department's Scope of Work document. All discharges must be reported to the Spill Hotline at (609) 292-7172.

Once you have obtained a Closure Approval, a demolition permit issued pursuant to N.J.A.C. 5:23 et seq. and authorized by the Department of Community Affairs (DCA), Construction Code Element must be procured from your local construction code official. For further information in obtaining a demolition permit, please contact the local construction code official directly, or DCA's Code Assistance Unit at (609) 530-8793.

If you require further information or assistance, please contact the Tank Management Section of BUST at (609) 984-3156.

Directorate of Engineering and Housing

SUBJECT: Underground Storage Tank Removal

Resident of Family Housing or Building Trustee
Building Number 2044, Apartment _____
Fort Monmouth, New Jersey 07703

Dear Resident or Building Trustee,

The Directorate of Engineering and Housing has contracted to have the underground storage tank(s) at your building/apartment removed. This work may require some interruption to parking/roadway and entry to your building.

We will try to inconvenience you as little as possible. If, however, you have any questions with reference to this project, please contact Mr. William Cordts, at 532-1360.

This work is scheduled to begin on or about
8 NOV 1993 weather permitting.

Sincerely,

MICHAEL R. MAIER

Chief, Contract Management Division
Directorate of Engineering and
Housing

ATTN: Monmouth County UST Closure Specialist

Dear Sir:

Enclosed please find UST Closure Plan Approval Applications
for the following Fort Monmouth Areas:

Charles Wood - 0081515	
UST #: 61	
Closure Activity Fees 1 @ \$170.00.....	\$ 170.00
Charles Wood East - 00192486	
UST #: 24	
Closure Activity Fees 1 @ \$170.00.....	\$ 170.00
Main Post West - 0081533	
UST #'s: 54, 55, 57, 61, 63, 64 and 65	
Closure Activity Fees 7 @ \$170.00	\$ 1,190.00
<hr/>	
	Total: \$ 1,530.00

To identify any specific UST location, correlate the corresponding building number located in the Closure Plan with the building number on the detailed area map which was issued with the initial UST Registrations. Due to the complexity of our facility's registrations, we have developed and are currently using this system for locating and managing our USTs.

If the information provided in this enclosure is inadequate or you require further information with regard to any UST activities please contact me at (908) 532-6224.

Sincerely,

Charles M. Appleby
Engineering Technician
