ATTN: Ian Curtis, Federal Case Manager

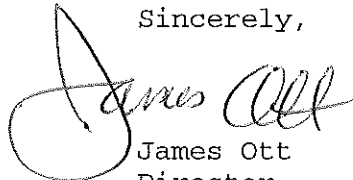

Dear Mr. Curtis:

As per your conversation April 23, 1996 with Charles Appleby, Environmental Protection Specialist, the Environmental Office is altering the method of NJDEP UST Closure Approval by instituting the following procedures:

- 1- The Fort Monmouth UST Management Plan, a comprehensive plan of managing, removing and performing site assessments, will be utilized as a Standard Operating Procedures Manual (a copy is enclosed).
- 2- The Directorate of Public Works (DPW) will send your office an annual UST removal schedule which will list the NJDEP UST registration number, size and contents.
- 3- The Directorate of Public Works (DPW) will send your office a monthly UST removal update which will list the UST removal status as well as any changes and/or additions to the UST removal schedule.
- 4- All deviations from established NJDEP UST removal and Site Assessment procedures and methods (NJAC 7:26E) shall be communicated to your office prior to implementation.

If the information provided in this enclosure is inadequate or you require further information with regard to this request please contact Mr. Charles Appleby at (908) 532-6224.

Sincerely,

James Ott  
Director  
Directorate of Public Works
