RE: Illegal Closure of UST System
Monmouth County
UST# 0081533
TMS# C93-2619 *Bldg. 2624*

Dear Mr. Appleby:

On June 18, 1993 the New Jersey Department of Environmental Protection and Energy (the Department) received a report from your facility. This report documents the action undertaken in response to the closure of your underground storage tank system.

Based on our review of the information submitted, you are not required to conduct any corrective actions pursuant to N.J.A.C. 7:14B-8 at this time.

A Closure Plan Approval Application was also received and found to contain the necessary information as required in N.J.A.C. 7:14B. Since your tanks were closed without prior approval from the Department as required by N.J.A.C. 7:14B, no permit will be issued.

Thank you for your cooperation in this matter.

Very truly yours,

Kenneth T. Hart
