Hi AJ:

We finalized the Proposed Plan a few minutes ago with the exception of the dates of the Public Meeting and the Public Comment Period (highlighted in yellow on the attached plan). These dates will be arranged as soon as we receive the Department's concurrence with the Proposed Plan. We will then proceed to advertise the dates of the meeting and comment period.

We would greatly appreciate the Department's review of the Proposed Plan to be expedited. The sooner the Public Comment Period ends, the sooner we can finalize the Record of Decision. Once the Record of Decision is signed, we can begin implementation of the Selected Remedy, scheduled for this summer.

Please let me know if you have any questions.

Thank you,

Bill

Report Certifications for RCRA GPRA 2020, CERCLA, and Federal Facility Sites

These certifications are to be used for reports submitted for RCRA GPRA 2020, CERCLA, and Federal Facility Sites. The Department has developed guidance for report certifications for RCRA GPRA 2020, CERCLA, and Federal Facility Sites under traditional oversight. The "Person Responsible for Conducting the Remediation Information and Certification" is required to be submitted with each report. For those sites that are required or opt to use a Licensed Site Remediation Professional (LSRP) the report must also be certified by the LSRP using the "Licensed Site Remediation Professional Information and Statement". For additional guidance regarding the requirement for LSRPs at RCRA GPRA 2020, CERCLA and Federal Facility Sites see http://www.nj.gov/dep/srp/srra/training/matrix/quick_ref/rcra_cercla_fed_facility_sites.pdf.
