Fort Monmouth, NJ 07703 (Eatontown Block 301, Lot 1)

Dear Ms. Siano:

The U.S. Army Fort Monmouth submitted a Classification Exception Area (CEA) Biennial Certification Report to the NJDEP in January 2011. The next Biennial Certification Report is due to the NJDEP on or before January 31, 2013.

As part of this CEA Biennial Report, water supply planning information is required by the NJDEP. Pursuant to this requirement, the Army respectfully requests information regarding the Borough of Eatontown's current and potential groundwater use based on a 25-year planning horizon. The Army also requests a written response in order to document this effort for the NJDEP.

Thank you for your prompt response to this request. If you have any questions or require additional information, please contact me at (732) 380-7064.

Sincerely,
