Mr. Colvin:

The New Jersey Department of Environmental Protection (Department) has completed the review of the above referenced FOST for the Credit Union (Parcels 79 and 80). All necessary remedial activities have been conducted by the Army at the Credit Union (Parcels 79 and 80). Therefore the FOST is acceptable. Please feel free to contact me if you have any questions. Thank you.

Sincerely,

A.J. Joshi
